

Hometown News Release Form

Be a celebrity in your hometown!

At MSOE, we're very proud of our students and their accomplishments, so we'd like to share that information with your hometown newspaper. As your MSOE career progresses, you will likely become involved in team projects, competitions (SAE Aero Design team, chess team, Design-Build team, etc.) or volunteer work (Engineers Without Borders, Circle K, etc.).

When the Marketing and Public Affairs Department receives information about these great things, we can send a news release to your hometown newspapers. We only send good news such as when you receive a scholarship (no dollar amount is given), when your team wins a competition, when you make the Dean's List or when you graduate. Information may include your name, hometown and major field of study.

But, we need your permission to do this. If you'd like us to share your accomplishments with your hometown newspaper, please fill out this form and return it to the Registrar's Office. (Please note, this form allows MSOE to release information to the media regardless of any FERPA restrictions on file.)
